Roelie, Mariela,

Great to see you today...please see below an absolutely appalling invitation (if their objective is not bad enough their no doubt unauthorised use of this poor child's picture and putting words into her mouth is a disgrace) to an event that the usual MEPs are holding next week. What actino do you think we can take?

Best,

Paul

Dr.
Charles TANNOCK MEP
together with MEP colleagues
Mme Frédérique RIES,
Mme Claire GIBault and
M. Jean-Marie CAVADA
would like to invite you
to a meeting
on the 25th of April 2006 at
09:00-12:00 in the

**European Parliament,
room A 5E-3**

on

**Romanian
International/Inter-
country Adoption**

with

**adoptive parents and their
children**

from France and the United States,

pending parents from UK, Italy, France and Spain and

NGO's from Romania

In January 2005, a Romanian law took effect that **permanently banned all inter-country adoptions**, except for close relatives of the child. About 800 European families and 200 U.S. families had filed paperwork to adopt Romanian children before the law was enacted, but have been all rejected without exception. Some of those children have no current prospects of being adopted by biological relations or Romanian citizens. It limits foreign adoptions to biological grandparents living abroad. Romania is scheduled to join the European Union in January 2007.
