Dear Ms. Nicholson,

With great interest I read in the Swiss newspaper LE TEMPS of yesterday (Mirel Bran, « Bucarest doit faire face à un nouveau scandale de l'adoption internationale », page 5) your statement about international adoption from Rounania.

It is « old stuff » but I nevertheless send you reports from us of 1991, because it amazes me that old recommendetions still apply.

DCI is interested to follow up again this issue and we hope you can involve us.

Sincerely yours,

Dr. Philip Veerman
President
