Just help me a bit on first one also as important for me.

Did Anabela ever contact you?

Did Andor's Head of Cab ever contact you to take up my offer to them (which you had agreed to before) to go and brief her in more detail.

I suspect not. Would you be willing still to go and talk to the member dealing with this. He is good and was with verheuegn in Cab. I might also need you to go and talk more generally to EMPL staff. Willing to?
