Roelie

I was following the Madonna case but had no idea you were involved. Its a very good outcome, which sends a strong message - you must be very pleased.

I can understand that you have concerns about the future but I think the best advice I can give you is to take the 2011 offer now and have it secured. We will see as the next COM unfolds how things look and can make longer term plans when we know the lie of the land better.

I'm off to France for Easter, travelling tomorrow. I have to say I can't wait, I really need the break. But I'm sure I'll come back refreshed and ready for another term. We'll get in touch after the break and find a moment to meet up.

Catherine

Hi Catherine,

Sorry for not replying over the weekend. We have been full time busy on the Madonna case. We got her adoption blocked and had to work on the court papers to block her appeal.

I will now make the CRD and get this out of the way.

Have bad feelings about how this is being dealt with and fear 2011.  
I'd had preferred to stay 'in service' until Anne-Catherine finishes studying. But so be it.

Hope you get a good Easter break and catch some sunshine!

Roelie
