Dear colleagues,

We would like to inform you about some action we initiated this summer in order to help our accredited bodies cooperating with Romania.

You will find enclosed several documents :

- The report of a meeting we had last month in the Permanent Bureau of The Hague Conference with Mr. Cristian TABACARU, and the anterior letters and reports linked to it ; we are sorry that this is only in French ;
- The letter we want to send now to the competent authorities of Romania, whatever they are in consideration with the recent changes in this field, presenting them our suggestions to solve the problems ; this letter was written in both French and English.

We will sign this letter in the name of the central authorities of Belgium, The Netherlands, England, Luxemburg, France and, we hope, of your authority also. So, if you agree with those propositions, let us know it as soon as possible, before December 10<sup>th</sup>. It's evident that this letter will have more weight if signed by a large number of receiving countries cooperating with Romania.

Sorry for the poor English of this letter and the documents in French. In case of any question or comment, please contact Anne-Marie CRINE (OO-322-413.27.26) or Karin MANGELEER (OO-322-533.14.60)

Sincerely yours,

*J. Oriel*
