Subject: Your request for internal review – Gestdem 2014/2552

Dear Mr Dohle,

I refer to your email of 9 August 2014 by which you ask for an internal review of your application.

As the reason for your request for review was the absence of an explicit initial reply from DG Justice, and DG Justice has in the meantime sent you an explicit decision, the Secretariat-General is not in a position to handle your confirmatory application.

However, should you wish to request a review of the position of DG Justice as reflected in its initial reply of 12 August 2014, you are free to submit a new confirmatory application.

Yours sincerely,

Martin Kröger
